David,

Although discovery is closed and has been for more than a year, as a courtesy, attached is what was on the website. It seems essentially identical to CB00202737.

Counsel,

It has come to our attention that Charlesbank appears to have prepared a Case Study regarding Varsity. It's mentioned in the attached article by Matt Stoller, who appears to have located it on the Charlesbank website. It doesn't appear to have been maintained on the [website](#). We have reviewed Charlesbank's production of documents and we cannot locate the final version of the case study or any communications about the case study other than from Mr. David Katz. There are some other references to the draft case study but no final versions of it. See CB00097631-32, CB00201477-78, CB00202733-34, CB00202736-37, CB00205999-6000.

Can you direct us to the final version of the case study?

Thank you,  
David
